“True heroism is remarkably sober, very undramatic. It is not the urge to surpass all others at whatever cost, but the urge to serve others at whatever cost.” Arthur Ashe

Dear Friends:

On Monday, July 28th, the National Guard Association of Vermont (NGA-VT) proudly presents the 19th Annual COL Alan J. Leclair Memorial Golf Tournament at the scenic Country Club of Barre. This unforgettable event isn't just about golf—it's a celebration of the brave men and women who protect our freedom. It's a day where soldiers, airmen and community members from all over Vermont come together to honor service, dedication, and unity. With over 200 participants, including golfers, families, and military staff, this tournament is a powerful reminder of the strength and support of those who serve and the communities that stand with them.

The National Guard Association of Vermont (NGA-VT) is a passionate non-profit organization dedicated to serving the men and women of the Vermont National Guard. We're on a mission to enhance the readiness, relevance, equipment, and quality of life for our Guardsmen by fostering strong connections with our state and federal lawmakers. At the heart of our work is advocating for the benefits our servicemembers deserve—from creating job opportunities that help retain talent in Vermont, to offering scholarships for higher education. We're also committed to ensuring our Guard has access to modern equipment, all while celebrating our rich heritage and sharing the stories of those who serve.

Unlike any other event, this golf tournament is more than a game, it's a tribute. It's a chance to honor those who have served, to reflect on the sacrifices made, and to celebrate the bonds that endure long after the battlefield. Each round is played with purpose, each handshake a reminder of the unbreakable connections formed in service to something greater than oneself.
